The torch will become your new favorite tool thanks to Patti Bullard's helpful tips and step-by-step guidance! You'll be soldering metal like a pro in no time, and **yes**- you can do this at home!

Texture, dap, form, cold connect, and discover Patti's jewelry-finishing secrets. Make open-back bezels and use new EnCapture Artisan Concrete™ to transform your treasures into jewelry.

With Patti's soldering secrets and fun personality, you'll enjoy every minute of your metalworking DVD adventure!

Each DVD comes with a complete tool & materials list,  
safety guidelines, and detailed instructions
